

# MANAGEMENT TOOLS SUBSCRIPTION SERVICE

*Do you have the most current versions of the tools we've developed to help you run your practice?  
How do new HR laws affect your business?  
VMC, Inc.'s new Subscription Service will keep you up-to-date!*

Starting the first quarter of 2011, VMC, Inc. will be offering the *Management Tools Subscription Service* to keep your Management Tools binder current with revisions and updates that occur in the industry. Each quarter you will have access to electronic updates to specific sections of your binder. Within the full year of service, all sections will be reviewed and updates provided.

This service ensures that your practice and management team has the latest information in these ever changing times of new and revised government regulations, as well as industry trends.
